

Agency Websites

- Bronze - £1195 or **£119 / month**
- Silver - £1495 or **£149 / month**
- Gold - £1795 or **£179 / month**

A comprehensive, multiple page website designed for agencies managing multiple models and growing their business. Check the categories below to see what features are included in the **Bronze**, **Silver** or **Gold** websites. Our websites can be paid monthly to fit any budget.

- **Hosting & Maintenance** £40 / mo
-

Ensure your website runs smoothly with our hosting and maintenance package. We provide reliable uptime, regular updates, and ongoing support to keep your site secure and optimized.

- **Extra Page** £150
-

Need an additional page for your website? Whether it's for services, a blog, or anything else, we can build an extra page tailored to your needs, maintaining seamless design and functionality.

BRONZE

- **Testimonials Text**
-

Showcase written reviews from models or clients to build trust.

- **Calendly / CTA Integration**
-

Streamline appointment scheduling or drive action with integrated Calendly forms or call-to-action buttons, making it easy for users to book or take the next step without leaving your site.

SILVER

Contains all **Bronze** features.

- **Video Testimonials / Case Studies**

Showcase real client success stories with professionally embedded video testimonials or case studies. Build trust and credibility by featuring authentic feedback directly on your website.

- **Web Analytics & Speed Insights**

Get in-depth insights into your website's performance and visitor behaviour. Our service includes detailed analytics and speed reports.

- **Short Contact Form (1 Step, 3 Fields)**

A simple, single-step form for quick lead capture. With 3 essential fields and unlimited responses, it's designed for fast, frictionless user interaction, embedded directly into your website for easy access.

GOLD

Contains all **Bronze** & **Silver** features.

- **Expanded Step Contact Form (Up To 10 Steps, 20 Fields)**

A fully integrated, multi-step form for gathering detailed information, perfect for surveys or onboarding. With up to 10 steps and 20 fields, it keeps users engaged while offering unlimited responses—all embedded seamlessly into your website.

- **Revenue Calculator Tool**

A simple online calculator where models can estimate their earnings based on potential subscribers.
